# Message from the Pastor

As I began to write to you, an old hymn rose up in my spirit:

"In times like these, we need a Savior. In times like these, we need an anchor. Be very sure... be very sure... your anchor holds and grips the Solid Rock. That Rock is Jesus-yes, He's the One!"

For eighty years, Wesley has stood anchored to that Solid Rock. Through joys and trials, through seasons of plenty and seasons of need, we can say with confidence-our anchor still holds. God has carried us, strengthened us, and kept us, and the record of our history declares His faithfulness.

The number 8 represents new beginnings, and in our 80th year, God is still doing new things! Eighty also speaks of strength, and that strength is evident in the way our faith family continues to grow, serve, and praise. Like another hymn reminds us, "Through it all, I've learned to trust in Jesus, I've learned to trust in God."

This "Year of Miracles" is a continuation of that testimony. We've already seen God's hand moving, and we believe the rest of this year will bring miracle after miracle, blessing after blessing. On December 14th, we will gather to celebrate not just 80 years of worship and service, but 80 years of God's miraculous favor.

So I invite you-don't just look back in gratitude, but look forward in faith. Let's remain anchored in Christ, open to His new beginnings, and ready to step into the miraculous. He has more in store for Wesley, and more in store for you.

"To Him who is able to do exceedingly abundantly above all that we ask or think... to Him be glory in the church and in Christ Jesus throughout all generations." - Ephesians 3:20-21

Reverend Towanda N.T. Conelly
